

The District is partnering with One2One Risk Solutions to provide risk management administrative services for our 1:1 initiative. Please visit “www.one2onerisk.com” to register your device in the program.

- While registering with One2One Risk Solutions, you will have the option to purchase an annual damage waiver that will protect you from the cost to repair or replace your District-issued device, subject to a small per-occurrence deductible, should a loss occur.
 - This coverage is similar to what is offered when purchasing personal electronics.
- The annual cost of the damage waiver is \$20 for each student but will be reduced by \$5 for each additional family member receiving a device in the district.
- You may make payments using a credit/debit card, online check, or cash using a pre-paid card available for purchase at the pre-paid card station during registration.
- You may purchase the damage waiver online beginning July 15th by visiting “www.one2onerisk.com”.

Registration Acknowledgement

I hereby acknowledge that I have been issued an electronic device by the District for the sole purpose of enhancing my educational experience, and I am wholly and entirely responsible for loss or damage to this District-owned device. I will only use this device in accordance with all District Acceptable Use Policies and Procedures.

In order to minimize the possible financial impact on myself from accidental loss or damage to the device, I fully accept the District's offer to partially waive my financial responsibility for a future loss, subject to the terms and conditions and deductibles as outlined below, and payment for an annual damage waiver fee.

I understand there are certain conditions not covered by this damage waiver which include: 1) Any dishonest, fraudulent, malicious or criminal acts, 2) Any loss to software, data, documents, music, videos, recordings or other personal information that I have placed on the device, 3) Additional loss caused by the failure to use all reasonable means to protect the device after it has been damaged, 4) disappearance of the device not reported to local law enforcement, and 5) any use not in accordance with District Acceptable Use Policies and Procedures.

I am responsible for a per occurrence deductible for all claims covered under this damage waiver to be paid immediately upon confirmation of a loss, such confirmation being at the District's sole discretion, and I understand I will not be allowed to take the device home while there is an unpaid deductible on my account.

I understand the District reserves the right to revoke any and all of my privileges under this program should there be evidence of careless or destructive behavior on my part.
